### Principal's Report

Dear College Community

Welcome back to our 2018 school year. It was great to see all the smiling, enthusiastic and talkative students returning to the College. As always, old friendships are being renewed and new friendships are being made.

On Friday 2nd February we gathered for our whole College Opening Mass celebrated by Dean Peter Bickley. Our theme this year is 'Making A Difference'. How do we make a difference? In our attitude, in the way we think, the way we prepare and the way we act. If our attitude is not positive and proactive, we will not be focussed in our thinking, if we are not thinking we do not train and prepare to be our best and if we do not practice to our best, we do not act our best in all we do. In our friendships, in our learning, in our interaction with each other and in our initiative to be present and assist others. This year we will focus on HOW we can develop ourselves as full individuals to make a difference.

At the commencement of our Opening Mass the College revitalised the tradition of ringing the Sion Bell. The Sion Bell was brought to Australia by the Our Lady of Sion Sisters from France in 1890, and rang out across the Sale community for over 100 years. We now use this same bell to celebrate and ring-in the arrival of our Year 7 students. The bell will also be used at special celebrations throughout the year.

After celebrating and blessing the commencement of the school year, we held a whole College Assembly to celebrate the 2017 DUX – Caitlin White and the thirteen '90+ Club' (students who gain an ATAR score of 90 and above). While these achievements are great, we congratulate all our students from the Class of 2017. We then blessed our Student Leadership badges and presented them to our College Captains, Sion Campus Captains, Senior Cabinet members and House Leaders from both campuses. All Year 12 students also received their Senior College Leadership badges. We wish all our students the very best for the 2018 school year.

# PRINCIPAL'S REPORT

This year, through our theme, 'Making a Difference' we will challenge each student to make a difference in their learning and classroom performance. All students are strongly encouraged to continue taking ownership of their own learning and to be pro-active and engaged in every opportunity to know and understand the relevant learning required.

The term is passing quickly. The Year 7's are currently attending their camp and the Year 12's their Retreat from 13th – 16th February. There will be a Sion Family Information Evening on Thursday 22nd February at 6.00pm to welcome new families to the College.

Last week the College held its Annual Swimming Carnivals. We commend the high level of student participation, congratulate our student champions and congratulate Raphaella for being the overall College House Champions.

By now, all in our community are aware we have commenced our St. Patrick's Building Program. Stage one of this program involves the refurbishment and significant restructure of the original St. Patrick's building and the addition of a new Learning and VCE Centre. The stage one building program is estimated to be completed by March 2019 and will be immediately followed by stage two, the John 23rd development into the Junior Learning Centre. Significant developments will also take place in the College grounds in preparation for the amalgamation of the two campuses in 2020. This is an exciting time as will build on the strong commitment and generosity of the past and allow the College to be a major contributor to student learning well into the future.

A reminder that all students are required to wear a College hat in terms one and four. Educating our young people to be 'SunSmart' is extremely important. College blazers are compulsory in all year levels and must be worn as an outer garment in terms two and three and on special occasions as deemed by the College. Students are welcome to wear their blazer at any time during terms one and four depending upon prevailing weather conditions.

We welcome all new students, especially our Year 7's and a number of new staff to the College:

Shannon Nash	Teacher	Maths/Science
Maree Smith	Teacher	English
Lucy Lees	Teacher	Humanities
Joshua Stubbe	Teacher	VET/Manual Skills
Belinda Jones	Student Counsellor	St. Pat's Campus
Candice Johnson	Education Support	Learning Support
Benjamin Coey	Trainee	Educational Support
Ebony Henderson	Trainee	Educational Support
Rachel O'Brien	Trainee	Sport & Rec
Joel Grey	Trainee	Educational Support

Also, welcome back to Natalie Macpherson to the teaching staff.

I look forward to meeting each and every member of our College Community at our celebrations and gatherings throughout the year. May all in our College Community have an enriching and enjoyable 2018 school year.

# LEARNING AND TEACHING

Welcome back to what I believe will prove to be a very exciting period in the College history! Every current student is bound to remember the redevelopment of the St Patrick's building. This will support our active learning philosophy with new contemporary learning spaces being developed for students to use now and into the future.

Our 2017 results were again outstanding and just reward for the modern approach and emphasis on active learning at Catholic College Sale. Congratulations to all those who worked so hard.

Examining our whole College theme 'Making a difference', I pose the question to each CCS student - **"How can you make a difference to your own learning?"** I suggest we look to the Learning Framework and take three of our key learning behaviours: **exploration, awareness** and **empowerment**.

Practically students can –

**EXPLORE** the content of each lesson; they are encouraged to ask questions to deepen understanding. It is normal that we sometimes have to talk our way to understanding. It helps everyone in the class.

Be **AWARE** of how learning is progressing. By monitoring and analysing results from exams, tests and assignments, mastery can be achieved. Dismissing and moving on without understanding effects success in the senior years.

Be **EMPOWERED** to take risks to respond in creative ways and allow themselves to change methods of learning if it is not working. They must give, seek and act on feedback from those around them.

The partnership between students, parents and the College is vital to strengthen the learning platform for each student. We are striving to strengthen communication and keep our community up to date on what is happening in the College. This week all families should receive a 2018 Welcome Booklet to help identify key people and areas of responsibility. This is also available on our new website, which is being continually updated with news and events. Another important resource to keep parents and students up to date is the CCS Skoolbag App.

We have listened to feedback and instead of hosting a Parent Information Night for VCE Information at this very busy time of the year; we have made this information more accessible via our website. Ken Holmes, VCE/VET Coordinator has uploaded a presentation for parents and students to review at their convenience. If you have any queries please do not hesitate to contact the College to discuss either over the phone or to arrange an appointment.

I would like to remind students and parents of the extra support the College offers:

**Homework Help** - O'Connor Learning Centre, St Patrick's Campus 3.45pm - 4.30pm Monday to Thursday.

**Sustained Silent Study (VCE Students)** - Wednesday 3.45pm – 7.00pm

**O'Connor Learning Centre** - open Monday, Tuesday, Thursday 8.00am to 6.00pm, Friday 8.00am – 4.30pm

I wish everyone a successful 2018. To reach your full potential you must be always strive to do your best.

# COLLEGE OPENING MASS

Catholic College Sale celebrated the beginning of the 2018 school year with an Opening Mass attended by staff and students from Years 7 to 12.

The Mass was presided over by College Chaplain Dean Peter Bickley, St. Mary's Cathedral Parish.

Principal Chris Randell said: "It was great to see the enthusiasm of our students as we celebrated the commencement of the school year with our Opening School Mass. Ringing in our Year 7 students with the historical Sion Bell, and inducting our talented 2018 School Leaders has brought the College alive from its holiday slumber and created an air of anticipation and expectation. The College Community is now fully focussed on this year's theme, 'Making a Difference' to each individual in their learning and lives."

Following the Mass, the 12 students who achieved an ATAR of 90 or above, including the 2017 Dux of Catholic College Sale, Caitlin White, were presented with certificates and recognised by the College community.

The 2018 College leaders were also recognised and presented with their badges during the celebration.

Assistant Principal, Learning and Teaching Ms Cindy Foat said: "Our 2017 results were again outstanding and just reward for the contemporary approach and emphasis on active learning at Catholic College Sale. Role modelling and hard work mean excellent VCE results, apprenticeships and employment opportunities."

# STUDENT TIPS FOR 2018 SUCCESS

- Get organised now. Do not leave starting or it will be too late.
- Complete 3-4 hours study a night.
- Take one day off during the weekend. Study the other.
- Work together as a team. Library opens at 8.00AM.
- Acknowledge that you are competing against the rest of the State and if you are not studying someone else will be (for every hour you are not studying, someone somewhere is).
- The best way to learn is to explain the concept to someone else.
- Be highly competitive. Want the best SAC/Trial Exam mark.
- Continually asked questions and make contact with your teachers outside of class.
- Complete as many practice SAC's and exams as possible.
- Prioritise school over part-time work. Work reduces your study time.
- School term holidays are a time to study and revise not party.
- When you do study, make the most of the time. Reading is not studying. Some students sit for 3 hours and learn nothing.
- Every student has to find their own best way to study. The same technique does not work for everyone.
- Study in silence. No TV. No Phone. No Music.
- Techniques used for study could include summarising notes, develop cue-cards, create mind maps and posters.
- Use Edrolo - it is amazing!
- Take notes in class when the teacher is talking. Revise those notes that night.
- Have a study plan. Identify times when you eat, sleep, relax, play sport, work and study.
- Every Sunday night – plan for the week ahead.
- Set goals for the future - '9 months of pain for a lifetime of gain.'
- No better feeling than knowing you did your very best.
- Keep wanting to get it right. Ask and practice until you do. Don't quit.

# SEED FOCUS DAY

**By failing to prepare, you  
are preparing to fail.**

Benjamin Franklin

It is the first day of school, holidays are over and you are now back into the grind. But what thought have you put into prior to turning up to your first class? For most students, prior to starting the new year the only thing they have done in preparation is look at their timetable to know where they need to be for Period 1. However, for a smooth transition from holidays back into the fast paced, structured routine of the school day, preparation is key.

To start the year off on the right foot, students at both campuses participated in the S.E.E.D. program focus day. The S.E.E.D. program is delivered by student's Pastoral and Learner Advisor teachers and is tailored to aid students in the areas of Self Identity, Empowerment, Engagement and Drive.

The Focus Day program was centred around preparation. It aimed to empower students and teach them some skills to prepare themselves for the academic year. Part of this preparation was ensuring that students can use their College Diary, can access our College network, including e-Textbooks and have the all important chance to reconnect with their peers in the LA/Pastoral group. Students also had a chance to look at the importance of both long term and short term goals.

Thanks to all the Pastoral teachers and Learner Advisors for giving our students a great start to the year. I encourage all students to continue to take time each week to look ahead, set goals and prepare themselves so they are equipped when new challenges arise.

# VCE SEASON OF EXCELLENCE

2017 VCE Media student Chelsea Stubbs will have her film from last year screened at this year's Top Screen film festival and the Top Designs exhibition as part of the VCE Season of Excellence 2018:

## TOP SCREEN

Thursday 8 March – Wednesday 9 May 2018 at the Australian Centre for the Moving Image (ACMI), Federation Square

## TOP DESIGNS

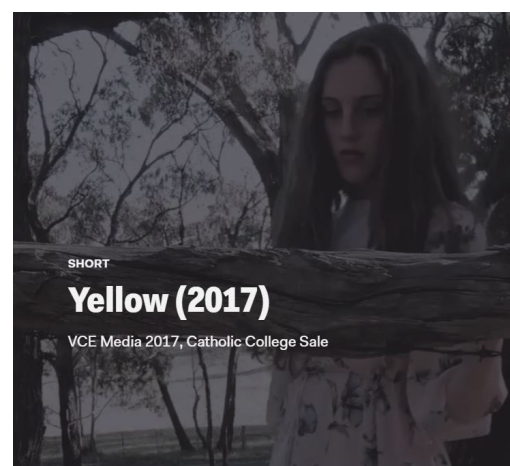

Saturday 17 March – Sunday 15 July 2018 at the Melbourne Museum, Carlton

Chelsea says - "This film represents the warped innocence of a child who is constantly misled and misinformed, and the naivety of such a way of life. The promise of an adventure out in the wild is a full-blown fantasy in comparison to the horrors of real life. I was inspired by the Surrealist director and visual artist, David Lynch, the aesthetics of the period of the early 1800s, and post-apocalyptic visual themes - resulting in a deliberately unfamiliar landscape."

Top Screen and Top Designs are part of the VCE Season of Excellence managed by Victorian Curriculum and Assessment Authority. The VCE Season of Excellence comprises twelve concerts (Top Class and Top Acts), two exhibitions, (Top Arts and Top Designs) and eighteen screenings of short films (Top Screen). All work is produced by outstanding VCE students who completed technology, design, visual or performing arts studies in 2017. Events are presented in Melbourne's major cultural venues, and a number of associated education programs are offered in conjunction with Season events.

This is an outstanding achievement by Chelsea!

Bookings for Top Screen can be made through ACMI. Bookings for Top Designs can be made through the Melbourne Museum.

# PARENT EVENING

In partnership with Elevate Education, a Parent Evening will be held for all parents on **March 6th**.

# STUDENT COUNSELLORS

## New Student Counsellor

This year, the CCS student counselling service welcomes Belinda Jones, who will be working part time at St Pats on a Thursday and Friday.

## Booking Appointments

Students who wish to make an appointment with Fay Goldsmith, Belinda Jones (St Pats) or Mary McNally (Sion) can book in at the Student Services office at St Pats, or at the Sion reception.

Students can also book online on the SIMON page under Student Links, click Counselling appointments, and request a particular counsellor, time and day, depending on which campus they attend. The Counsellor will then reply to the email, within work hours, with an appointment time.

Parents are very welcome to ring any of the student counsellors to discuss any concerns.

St Pat's phone number is 51439736 and Sion is 51439614

## Reporting Bullying Behaviour

Students at both campuses are also able to report bullying behavior, by either talking with a staff member or going to their SIMON page, Student Links, and click on Report Bullying. This will then allow the student to fill in a form that outlines the type of bullying, and what they want done and by who. This email will go to the House leader/ Year Level Leader, Campus Director and the Student Counsellor. The student will be able to choose which staff member/s they want to follow up their request for support.

The email address is: [bully.sion@ccsale.catholic.edu.au](mailto:bully.sion@ccsale.catholic.edu.au) or [bully.stpats@ccsale.catholic.edu.au](mailto:bully.stpats@ccsale.catholic.edu.au)

## Cybersafety

Year 7's had their Technology Boot camp last week, where Mr. Goudie was able to assist students to log on to SIMON and learn about Google Drive and other programs that they will be using at school. The students were also provided with some relevant cybersafety information, to make sure they remain safe online and make good choices about what they say and do whilst using social media.

They were also informed about the CCS Bullying and Harassment Policy, which is in their school diary, and what to do if they are on the receiving end of cyberbullying. The students were shown some excellent resources from the [www.esafety.gov.au](http://www.esafety.gov.au) website and shown a brief video on making good choices whilst online.

This website, [www.esafety.gov.au](http://www.esafety.gov.au) has excellent resources and information for parents, particularly on the many social media websites that young people are using to connect with others.

If you have any concerns and need some information, please contact one of the counsellors. St Pats 51439736 and Sion is 51439614
