Principal's Report

Dear College Community

Welcome – Term 3

As we enter into the third term the challenges of cold mornings and shorter days are well and truly evident on the faces of students as they arrive at the College. It is hard to believe that in a few weeks it will be Spring.

This week the College has been privileged to host a meeting of the College Governors, Bishop Patrick O'Regan (Bishop of Sale) and Brother Peter Carroll fms (Marist Provincial), together with Maria Kirkwood, Director Catholic Education Office Sale, Dr. Frank Malloy, National Director Marist Schools Australia and Ms Julie Ryan, Melbourne Regional Director Marist Schools Australia. This is an annual meeting to oversee the smooth and compliant governance of the College. After their meeting the Governors shared a meal with members from the College Advisory Council, representatives of Our Lady of Sion Sisters, Marist Brothers and the College Leadership Team to continue these important relationships within the College network.

Well done to the Marist Netball team who made the Grand Final in the Annual Marist Netball carnival held at Marist-Sion Warragul at the end of Term 2. The girls played a magnificent hard fought game against St Johns College Woodlawn and were unfortunate to be "pipped at the post" in overtime.

Student subject selection processes for 2019 have now been completed. There may be individual consultation with a small number of students who have subject selection issues. Subject allocation processes are now taking place in preparation for whole College timetabling within the next few weeks. The pathways exhibition and consultation process

Prayer from Theodore Ratisbonne (Founder of the Sisters of Sion)

**When we love God above all things,
Others loves are given to us in addition.**

**Therefore, seek all your happiness in God
but remember, that you will find it only if you
pour it out for others.**

We are never alone

**The more you contribute to the satisfaction of
others, the more you will increase your own
satisfaction.**

PRINCIPAL'S REPORT

was extremely successful and we hope that this gives all of students and their families a smooth passage into their 2019 studies.

Next Wednesday (15th August) the College will celebrate The Feast of the Assumption and Founders Day with a College Mass and Assembly. This will be followed by a fundraising community luncheon. All proceeds raised from the day will be donated to the Sisters of Sion and Marist Brothers for their valuable work with people in need. In the afternoon, Years 9 – 12 will participate in the annual Performing Arts House Competition. This day is a compulsory school day for students and provides a great opportunity for students and staff to mix and get to know each other outside of the classroom. All students are required to wear full school uniform.

Last Thursday students and staff departed on the annual immersion to Santa Teresa (*pictured right*). Here they will spend 10 fulfilling days in the immersion of the indigenous culture in Central Australia. I would like to thank Mary McNally and Jenny Hurst for organising and directing the students who have all shown commitment, openness and willingness to embrace these new experiences. Also, a big thank you to the Santa Teresa community for hosting our students and providing them with such a valuable life experience. At the end of Term 3 another group of staff and students will travel to East Timor for a similar experience.

Lastly I would like to congratulate the Catholic College Show Choir for winning the Yarram Eisteddfod Open Choir/Vocal Ensemble and the Sion Singers coming 3rd in the Secondary Schools Student Choir event. I wish all students the very best for their performances over the next few days of competition.

Chris Randell
Principal

LEARNING AND TEACHING

Catholic College are committed to respectful relationships and we actively seek a partnership with parents. We believe that our students' learning is significantly enriched through a positive and reciprocal home and College relationship. We seek your support in promoting and upholding the core values of the College community and its culture of respectful relationships. The majority of our daily interactions reflect this endeavour, however, I do request that all parents are mindful to keep all communication with all staff at the College at a courteous level. Phone calls and emails received by teachers will be returned as soon as possible, although at times, due to timetabled duties, this may not necessarily be on the same school day.

On the 25th of July the College hosted the annual Pathways Expo (*see photos below*). This evening was designed to expose students to as much information as possible to make informed decisions regarding future career pathways and 2018 subject selections that would support this. Almost all students have made their 2018 subject selections at this time. The College will now develop a 2019 timetable around student choice. All students will roll into 2019 subjects at the beginning of Headstart on Monday 26th of November.

Our Year 12 students have only ten weeks of classes left before the exam schedule begins. I would strongly encourage students to attend the ACU lectures and Practice Exams scheduled for Term 3 school holidays. The amount of work put in by students prior to the exams will correlate with the results achieved.

Cindy Foat
Assistant Principal - Learning and Teaching

TERM 3 HOLIDAY VCE PRACTICE EXAMS - SAVE THE DATE -

Practice examinations for Year 12 students and Year 11 students completing a Unit 3/4 sequence will take place during the Term 3 school holidays. These exams provide valuable learning and preparatory experience for students, are taken under examination conditions and give the students valuable practice at exam technique. In addition, these practice exams will enable students to focus on any areas that need improvement for the extremely short amount of time available in Term 4.

We are unable to make these examinations compulsory for students given that they are during school holidays, however they will prove to be a worthwhile experience and students should make every effort to be present and assist the College in its endeavour to provide the best possible preparation prior to the examinations in October/November.

SINGAPORE FOOD TOUR

Nine students and three staff set off on the inaugural oriental food tour of Singapore on a cold winter's morning for Tullamarine. After a smooth passage through baggage drops, security and customs, the group was en-route to their destination; hot and steamy Singapore.

On landing, we were met by Jasmin, whom would be our tour guide for the week. The hotel, our home for 6 nights was located near Bugis Junction, lots of food and retail markets and the buzz of city life. Once settled into the Hotel we embarked on a quick discovery expedition of Bugis street market for supper and experienced some Asian inspired spicy street food with salmon, squid & Korean Popcorn chicken.

Day two was our first full day started with a visit to an incredible temple – Lian Shan Shuang Lin, followed by a tour of the city and our first real food experience at one of the many Hawkers markets we would visit during our stay. We had the opportunity to try some Duck feet but mostly went for the crispy pork options. A Bum Boat ride was then enjoyed, this took in Clark and Boat Quays and the old district of Singapore where the cargo boats used to arrive. For dinner we feasted at Din Tai Fung on a host of different dumplings and plates of various green vegetables. Everyone loved the dumpling house!

On day three we were up and into a cooking class with a Prata Chef. We were to create Roti Prata (a type of Indian flat bread) but the majority of us failed on this mission to be Prata Chefs. We also learnt to pour the traditional tea, a very sweet and milky brew. Next we headed off to the Singapore Museum for a cultural tour and a walk up the popular Orchard Road. We visited a Japanese 'Food Lovers Fiesta' where lots of food samples were on offer to try. Dinner was at another Hawkers market, Newton Circus, where a large choice of dishes from the various local cultures available in Singapore including Indian, Malaysian, Indonesian was amazing. Chilli crab, a traditional Singapore dish was on the menu for Nathan, who was not disappointed.

Chinatown was our first port of call for day four where we participated in a heritage cooking class. Here we were taught to pound the various spices to make a local recipe chicken curry. A traditional dessert was also made which

was very sweet. A walk was needed after lunch so we headed to the Spice Gardens, which contains the plants, herbs and trees that we could touch, feel and smell the seeds, leaves and stems that were the catalyst for all discovery and conquest to South East Asia medicinal and culinary uses. Dinner tonight was in Chinatown, where we experienced a wide variety of Chinese dishes, all freshly cooked. On dark, we positioned ourselves on the steps at Marina Bay Sands for a spectacular music and light show over the water.

Day five we set off to the old Chinese district of Joo Chiat with the Peranakan quaint shop/ houses. In the heritage centre we saw how Chinese traditions, cooking utensils, women's clothing etc has developed throughout the generations. Here, we also tried a variety of Chinese desserts and various teas (which were

SINGAPORE FOOD TOUR

various colours) which are very different to what we have. A quick visit to an Indian Muslim bakery where (supposedly) was the home of the creation of the curry puff (samosa). We were able to sample the different types of samosa's.

Our cooking class experience today was in a tiny shop front where traditional 'popiah skins' are made for spring rolls. These skins were made on huge round hotplates, four at a time. We then filled our skins with lovely fresh ingredients, homemade sauces, then rolled and devoured by all. Vivo City was our lunch destination, where a more European menu was on offer. Dinner was in Little India, Lagnaa Barefoot Dining. Here we sat on cushions, sharing various Indian dishes that were made from local fresh ingredients. Each dish and its contents, cooking techniques were explained to the group prior to serving. To quote the head chef. "At Lagnaa we invite you to bare your feet and feed your soul."

Our last day in Singapore, included a trip to the Gardens by the Bay Cloud Forest., where we had a leisurely wander through the Cloud Dome surrounded by diverse vegetation and magnificent displays of plants and

flowers. Lunch was a traditional Seafood laksa at a quaint local restaurant. There was enough time prior to catching our flight home for a quick last-minute shop at Bugis Junction. Then off to Changi airport to start our journey home after a very busy immersion of a cultural culinary adventure of cooking and eating in Singapore.

The year is fast slipping away and the Year 12 students have only weeks to go before they are finished.

At the end of last term I shared some information with the Year 12s concerning the future of university funding, which will impact on the offers made by universities in January 2019.

Briefly, at the end of 2017 the universities and other tertiary providers were told that the Federal Government would be capping the funding at 2017 levels. In the preceding years the universities had been funded per head for each student they attracted. This had allowed for about a 1.5% growth in student numbers each year.

How will this change things for our students? The likely impact will be that there will be more students competing for a smaller number of places. It won't be dramatic but it will be there.

This may mean a rise in the Adjusted Selection Ranking being higher. This Adjusted Selection Ranking begins by being based on the ATAR and then has various bonuses added through Special Entry Access Scheme applications and bonuses for preferred subjects.

There are a number of special pathways schemes that the universities have that can be used to help. Students need to check this for themselves, and were told about this at the end of Term Two.

Focussing on their studies is really important. In this way they should be able to increase their base ATAR.

I think most of our students will be accommodated somewhere.

What Our Students Did Last Year.

Last year (2018 Year 12s) we had 96 students who put in preferences with the Victoria Tertiary Admissions Centre. Of that number, 88 received an offer. Nine students did not enrol and 28 chose to defer their studies.

In the nine there was at least one, if not two who applied interstate, with at least one taking up an apprenticeship.

Based on these figures our students are very acceptable to the universities in Victoria. We can expect a similar outcome this year. The real message is, get an account open on VTAC after the 6th of August and work as hard as you can. The chances are in your favour.

VTAC preferences are live on the 6th of August. All Year 12 students are encouraged to activate their account and begin the process early. Students can have up to eight courses listed.

At the end of July students were spoken to by a representative of Centrelink. Students were given information to help them in transitioning from school to the next level, study or work, and encouraged to make contact with Centrelink early to create a MyGov account before they are at the pointy end. There is a calculator on the MyGov website which might help in establishing if they are eligible for any payments. Students have also received a VTAC booklet to assist with applications for putting in preferences.

There are two different guides, one each for Year 11 and Year 12. This is a new approach to combine the two years of VCE into one publication. There is a booklet for Year 10s as well.

Years 10s have also received a government publication called **'Where to now?'**. If it didn't reach home but you want a copy, ask your child or alternatively, send me a message.

Pathways Coordinator

HOMELESS PREVENTION WEEK

R.E.S.A. AND R.E. – SENIOR CHOIR MEMBERS ATTEND LAUNCH

The 2018 Homelessness Prevention Week was marked by Uniting's photographic exhibition, of which the launch was recently held at the Sale Library. Uniting asked youth who are at risk, or who are currently experiencing homelessness in Sale, to take photos that highlighted a part of their lives. The exhibition will move to the

shopping centre from August 6th for the community to view so that we can all build awareness of this issue and come one step closer towards ending homelessness.

Year 11 Religious Education Service in Action (R.E.S.A.) students were invited to attend the launch. As a part of their social justice curriculum, these students have been collecting toiletry items to give to Uniting so that they can distribute them to homeless people who come through their doors.

The R.E. – Senior Choir was asked to perform a song as part of the formal launch proceedings. Part of the choir's curriculum is to not only contribute to school events, but to also engage in our community on a social justice level. We were honoured to be involved

in such a special launch and chose, arranged and performed an Eric Bibb song called 'Connected,' which highlighted the fact that as humans, we are all connected and so, should be looking after each other as best we can.

Ms. Smith and I were so proud of our students' participation in this event. They presented themselves very well and engaged respectfully with community members present at the launch.

Ms. Werner
R.E. – Senior Choir Teacher

SEMESTER ONE AWARDS

This Award was presented to the top two students from each Year Level based on percentage of A+ and A for School Summative Assessments for Semester One. The Awards were given out during our final Assembly of the Semester on Wednesday 27th of June.

Congratulations to the following students:

Year 7 Mason Brinker-Ritchie
Grace Hobbs

Year 8 Rebecca Bourke
Sierra Cook

Year 9 Molly Hargreaves
Solomon Nash

Year 10 Emily Knobel
Lily McCaughey

Year 11 Ruby Heasley
Jessica Reid

Year 12 Caitlin Graham
Casey Edwards
Griffan Randle

Bishop Visit

Recently the Year 12s were able to hear from a Bishop from central Nigeria, Bishop Michael. The Bishop was visiting priests from his diocese who are currently based in Sale and Canberra. He spoke to the students about Nigeria, which has the seventh largest population in the world, and the benefits and tensions of living in a country which was colonised and then left by the British. The interactions between traditional African religions, Christians and Islamic people were a major focus of his talk. Due to tribal areas being changed during the British occupation, a lot of tension now exists between groups claiming land for their own peoples. This leads to many moments of extreme violence around Nigeria. The Year 12s learnt of the sacrifices and determination of the people of Nigeria as they seek peace and justice.

At the end of the talk, one of our Year 12s, Shayne, asked the Bishop what was his favourite memory of Nigeria. His answer was a bit of a shock when he spoke of the time his father died. However, what followed was a beautiful story of his father passing on his inheritance and responsibilities through a beautiful ritual of trust and acknowledgement. We came to appreciate the depth of spirituality and humanity which can be found in simple rituals.

We thank the Bishop for his generosity in visiting us and also in allowing his priests to come to Australia as missionaries to help build the Church and the faith of its people.

IN THE CLASSROOM

Presentation on Alice's Adventures in Wonderland

On Monday 6th August, the Year 10 Literature class were privy to a guest speaker in Jeff Hobbs. Jeff was able to create a positive look at Lewis Carroll, where, through readings and stories, his enthusiasm for this subject became evident. The students were given many different ideas, elements and facts that they noted down for further discussions and assessment pieces.

Through several readings such as *The Hunting of the Snark* and *The Jabberwocky*, which were great to listen to, the students could see how different readings of a text could change by altering emphasis. The idea of different interpretations was clearly outlined through a range of books and a couple of articles that he had for the students to peruse. For example the text, *Alitji in the Dreamtime*, was a rewriting of *Alice's Adventures in Wonderland*, using Pitjantjatjara language. The animals were representative of the times and the culture.

This informal event was not only interesting but also opened student eyes to ways a text can be 'read'. It reminded them of things already learned in class and extended their understanding of where they could take this text in the future. Plus the 'coveted hat' was great to try on! Thank you, Mr. Hobbs!

National Disability Insurance Scheme (NDIS) Information Sessions for Parents of School Aged Children

If your child meets the age, residency and disability requirements of the NDIS and you live in the Outer Gippsland Area your child may be able to access the NDIS. Outer Gippsland Area includes the following Local Government Areas (LGA's);

- ☐ Wellington
- ☐ East Gippsland

Free information sessions will be conducted at a number of Gippsland venues over the upcoming weeks. Please click on the following link for information about the sessions and the NDIS - **National Disability Insurance Scheme**

MATHS CAMP

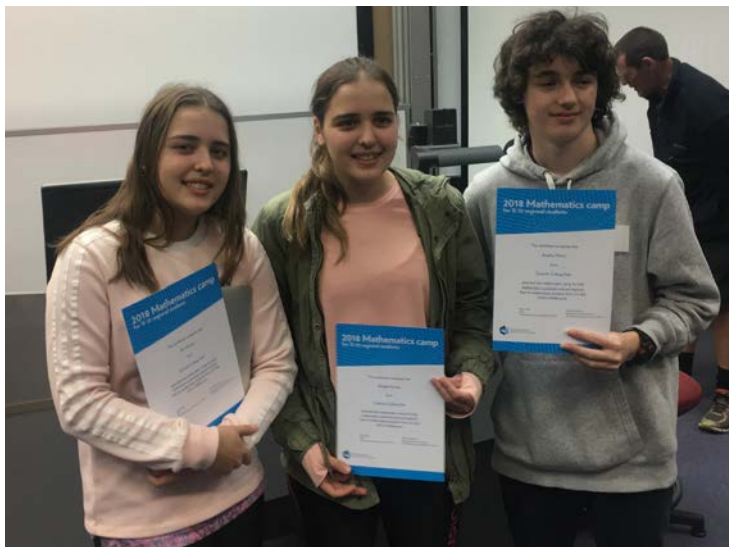

During the July School holidays three of the school's Year 10 maths students (Bradley Felton, Erin and Bridget Forster) attended the Mathematical Association of Victoria's (MAV) Year 10 Mathematics Camp. Here is Erin and Bridget's reflection of the camp:

MAV Maths Camp is a week-long chance to see how Maths is used in business - Maths in the 'real world'. Our main focus was our group project, provided by different industries: including Victorian Space Science Education Centre (VSSEC); The Reserve Bank of Australia (RBA); Ford; and Biarri Windsor. Throughout the week 24 of us visited these different businesses gaining an understanding of who they were and how they use maths, as well as each group spending time with their mentor.

We spent our evenings at RMIT or the State Library working through these projects. Many people from different careers met with us over dinner and shared their backgrounds in maths, regularly leaving the whole room in tears of laughter.

The MAV Maths Camp group of 2018, summarised their work as: Quadratics, rapid questions, astronaut training, blood analysis, designing features and Virtual Reality inspections of cars as well as keeping Australia's economy stable.

Not all the time was spent doing maths. We built bonds as a family within the first half an hour which was only made stronger through extra free time, mostly spent in the lounge on level 3, and activities such as Bounce and the Queen Vic Night Market; actually we spent every hour together from 6am-10pm!

The hardest part was doing what seemed to be "impossible maths", late at night; however we all had an undeniable motivation and love for it, making it seem less like a chore and more like any other day with friends. Everyone took on their challenge with determination, which made working through each challenge a team effort, often paying off in the end.

This experience gave us a better understanding on how maths is used in the real world, and it taught us how the city works. We recognised that there are people out there who are just the same as us. The whole week was full of amazing memories and these are friends made for life through an experience we will be forever grateful for and would repeat in a heartbeat.

Senior Production

Congratulations to our Senior students who took part in the production of 'But We Don't', written by Alan Haehnel, at the Stratford Courthouse Theatre on the 27th and 28th of June.

MARIST NETBALL

Catholic College Sale's proud history in the Marist Netball Carnival has continued, with a runners-up performance at the 2018 event for the second straight year. Hosted by Marist-Sion Warragul, our team fell agonisingly short of the ultimate prize, losing to St John's Woodlawn in overtime of the Grand Final.

The team was as follows: Emma Allman (Captain), Jasmine Schellen (Vice Captain), Hayley Castle, Ella Ronchi, Ella Rendell, Grace Ronchi, Macy Gardiner, Paige Morris, Alex Stephenson, Olivia Barnett.

Led by Jo Gieschen and Kirralee Carstairs, Wednesday morning training sessions prior to school, and practice matches against local opposition were a staple of our lead-in to the tournament. Once we got to Warragul, we couldn't have asked for a better start going through undefeated on our first day of competition.

Day 1 Fixture & Results:

CCS def. St John's College (17 – 14); CCS def. Marist College Bendigo (17 – 10); CCS def. Marist-Sion College (17 – 10); CCS def. Mt Carmel High School (36 – 4); CCS def. St Patrick's Marist College (26 – 7); CCS def. Assumption College (23 – 9); CCS def. Newman College (27 – 9); CCS def. Marist Sisters' College (25 – 8). Hayley Castle was named our 'Player of the Day'. Our outstanding performance from Day one of the competition ensured our qualification into the 'Championship' Division, where the best eight teams are pitted against each other in another round robin competition to determine semi-final placings.

Day 2 Fixture & Results:

CCS def. Sacred Heart Adelaide (15 – 12); CCS def. Marist Sisters College (20 – 10); CCS def. Lavalla Catholic College (18 – 16); CCS def. Cardijn College (17 – 11); CCS def. Assumption College (23 – 6); CCS def. St John's Woodlawn (24 – 16); CCS def. Trinity College, Lismore (18 – 11); CCS def. Notre Dame Shepparton (18 – 8). Another day of undefeated results gave us the top placing for the Semi-Finals. The team's youngest player, Olivia Barnett, was named our Player of the Day for her outstanding work in defence.

Day 3 – Finals Day

Semi-Final: CCS def. Notre Dame College, Shepparton (14 – 9)

CCS hit the ground running, quickly establishing a 3-4 leading margin. A real team effort from all players on court in both halves of the match led to a terrific win against a strong opponent in Notre Dame. All eyes then looked to the Grand Final, where we would play St John's Woodlawn who upset Sacred Heart 14 – 11.

Grand Final: CCS lost vs St. John's College, Woodlawn (21 – 25 ET)

In a highly contested match that see-sawed from start to finish, the grand final finished in a draw at the end of

regulation time. In the closing minutes of extra time St John's opened up a small lead which was unfortunately enough to secure the win against our girls. Our team are to be commended for their conduct of sportsmanship throughout the carnival. Whilst we may have not left with the carnival trophy our girls were still recognized for their terrific carnivals in receiving a number of individual awards.

Emma Allman, Jas Schellen and Hayley Castle all made the All Australian team. Alex Stephenson made the "Highly Recommended" team. Emma Allman was named the Carnival 'Most Wanted Player'. Player of Day Three for Catholic College Sale was Alex Stephenson.

HERALD SUN FOOTBALL

Morwell Recreation Reserve would play host to Catholic College Sale's Senior Boys Football team as we competed in the first round of the Herald Sun Country Shield competition on Tuesday July 31st. CCS were joined by Marist-Sion Warragul and Lowanna Secondary College in the Gippsland stage of the competition.

Our first game saw us up against Lowanna. The first half against was characterised by some great on ball presence from the CCS midfield. Mason Hawkins was terrific in the ruck, while the continued efforts of Nathan Whitford, Declan Barnett and Jo Ziino ensured our contested work was effective. Liam Heasley, one of the younger members of the team, did great across the half back line, registering some intercept marks at crucial stages. We went into half time one goal down, but right in the hunt.

The second half began with a flurry. Vice-Captain Luke Williams won a free kick in the centre square, and quickly moved the ball inside 50m to Jonty McGuiness who slotted a goal. Shortly after, some bold play through the corridor and great body positioning lead to Max Gravener putting a major on the scoreboard, tying the game up two-goals-two-behinds a piece. As the clock ticked down, Lowanna, using the wind to their advantage, scored a late point which edged them in front, and ultimately gave them the win. We rued some missed opportunities, but were content with our first up performance.

CCS 0.2.2 2.3.15

LOW 1.2.8 2.4.16

Goals: McGuiness, Gravener

Our second match pitted us against one of our rivals in Marist-Sion Warragul. A chain of sharp midfield possessions lead to our first inside 50m entry; the end result had Joe Ziino getting us on the scoreboard with a clean snap around the corner from 35m out. Our second goal came from half back, as Zac Hurley drove the ball forward, delivering the ball to Joel Hutchins in the near forward pocket. Joel made a difficult shot on goal look easy, as he slotted through our second major. At half time our lead was seven points.

The second stanza saw the ball spend a high percentage of time in our forward half, with our midfielders and half-forwards forcing multiple stoppages and setting up in a composed manner, ensuring the Sherrin remained in our scoring range. While Warragul were able to pull one back, Max Gravener sealed victory with a goal late in the game. We would again play Lowanna in the Grand Final.

CCS 2.2.14 3.2.20

MSW 1.1.7 2.2.14

Goals: Ziino, Hutchins, Gravener

We began well in the Grand Final. Our midfield were breaking even in contested possession statistics, and we were able to work the ball forward with purpose on a number of occasions. Jonty McGuiness and Joel Hutchins proved terrific targets up forward, and while we went into half time with just one goal on the board, we felt we had the advantage in a low-scoring contest.

Despite some good play in the second half, Lowanna were able to string together multiple scoring efforts, including a long kick-in that led to a fast break goal against the flow of play. We eventually would fall a couple of goals short when the final siren sounded, with a late goal to our opponents

CCS 1.2.8 1.3.9

LOW 0.1.1 3.2.20

Goal: Hutchins

Best for the day: Zac Hurley, Luke Williams, Declan Barnett, Tom Thatcher, Joe Ziino, Jackson Cottrell.

Zac Hurley was judged our best player of the day, but it was pleasing to see so many perform their roles and stand up when required.

Above: Photographs from the Herald Sun Country Shield Football and the Marist Netball. For more photographs please click on the link - <https://www.ccsale.catholic.edu.au/events/news-events/>

State SSV Cross Country

The College has had some fantastic results at the recent School Sport Victoria Cross Country State Finals in Melbourne.

The team of seven ventured down to Bundoora on Thursday July 19th to face the hilly course.

Tom Fleming (pictured right) had the performance of the day when he placed 13th in the 17-20 Boys 5km in a time of 17:27.

Abi Allman also placed high, finishing 34th in the 16 Years Girls 3km in a time of 13:14

Congratulations to the other five students from the College, who rang strong 3km races on the day:

Harry Gravener (52nd) and Jack Hrehoresen (83rd) in the 14 Years Boys category.

Courtney McDonough ran 61st in the 15 Years Girls category.

Amy Mitchell finished 61st in the 17-20 Years Girls category.

Zac Felsbourg came 62nd in the 12-13 Years Boys category.

When you consider these placings are comparative for each student in their age category across Victoria, these are some wonderful results.

Marcellin Football

Mixed results on field, but overall a pleasing day on Tuesday 19th of June as we hosted two teams from Marcellin Bulleen at the College Ovals. This Annual event is a great chance for our two schools to get together.

Our Years 9/10 Boys went down, but our Years 7/8 Boys had an emphatic victory 16.13.109 to 2.2.14.

Blake Safstrom and Jonti Schuback (pictured below left) were named our best afield in the two games.

Above: Years 7/8 Captain Lachlan Allman

Northern Territory Field & Game event in Darwin (NT)

CCS student Brad Burton has represented the College at the 2nd annual state Clay Target Shooting event in Darwin.

The event comprised of competitors from around Australia who competed in the 'Sub-Junior' (15 & under), Junior (15-18 Years) or Adults competitions, with three days individual competition.

Day 1 – '5 stand event' – (Two rounds of 25 targets) – Brad placed 1st in the Sub-Junior category

Day 2 – 'Side by side' challenge (3 x rounds of 25 targets) – Brad placed 1st in the Sub-Junior category

Day 3 – 'Under and Over' (2 x rounds of 50 targets) – Brad placed 2nd in the Sub-Junior category

For his efforts, Brad received some beautiful handmade wood trophies. Congratulations to Brad on his achievements!

Howard & Schuback Inter-school Shoot

Some outstanding results for CCS, with teams and individuals placing on the podium. For the first time in the competition's 41 year history, our College finished the day with the highest ranked team.

Charlie Goff, Ethan Cook, Matt Meester, Zac Jones and Ben Anderson shot a combined 78/100 targets for the day.

As you'd expect, our day also comprised some great individual results: Charlie Goff – 1st Senior Boys (19/20 targets), Zac Jones – 3rd Junior Boys (16/20) and Jessie Sedman – 3rd Junior Girls (11/20).

Congratulations to these students and a big thank you to Ben Turner for his continued and consistent support of this team within the College.

Picture L to R: Charlie Goff, Zac Jones, Ben Anderson, Matt Meester, Ethan Cook

Tennis

Earlier this year, three of the College's Tennis teams travelled to the Traralgon Tennis Club to compete in the SSV Gippsland finals. Catholic College Sale had entrants in the Year 7 Boys, Year 8 Boys and Intermediate Girls competitions, with each team playing in a round robin format against three other schools from across the region, with teams travelling from as far as Bairnsdale, Drouin & Leongatha.

Matches consisted of four singles and two doubles sets which allowed for competitiveness, but also encouraged participation from each team member. Each of our teams won two of their three matches, each placing 2nd in Gippsland, only just missing out on a spot in the State Finals.

These students are to be commended for their performance and conduct throughout this year's competitions. At each stage, they represented the College to a really high standard.

Picture Above L to R: Year 8 Girls - Ruby Dillon, Ellie Roache, Eve Morcom and Abbi Boulter

Picture Above L to R: Intermediate Girls - Jaz Websdale, Isobel Morcom, Lily McCaughey and Holly Hansford

Picture Left L to R: Year 7 Boys - Ethan Shipp, James Edney, Hamish Pfeil and Jonathan Boyd

SSV Senior Girls Netball

After falling just short at the 2018 Marist Netball Carnival, our Senior Girls Netball team were out for redemption at the SSV Gippsland Netball finals. Held in Traralgon on Tuesday August 7th our team were set for three games against teams from around the region.

We hit the ground running in our first game against Warragul Regional College. Enthusiasm on and off the court was palpable, as our shooters Hayley Castle, Grace Ronchi and Ella Rendell shot at 86% accuracy for the match. After establishing a lead of 13-3 at quarter time, we were able to maintain a double-digit buffer for the remainder of the match to run away with a 35-22 win.

Game two saw us up against East Gippsland representatives in Nagle Secondary College. After a slightly sluggish start, our defensive pressure rose in the second and third quarters – Macy Gardiner, Jaz Schellen and Emma Allman were great in midcourt with ball movement in offence, and pressure in defence, while Olivia Barnett's seven interceptions were another highlight. In the end, we secured a healthy 40-17 win.

Our final match of the day was a must-win encounter with Leongatha Secondary College, with the winner

progressing through to State Finals. Scoring was neck and neck through the first half. Neither team gave an inch as we hit the main break with a 17-16 lead. The second half belonged to CCS, with terrific ball movement in offence, and tremendous pressure around the ball carrier. Alex Stephenson was a pillar of this defensive intensity, winning the ball at crucial stages to kick-start chains of possession up the court. CCS chemistry and fitness came into the equation as well, as we outscored Leongatha 25-9 in the second half (including 15-5 in the last quarter – their best scoring quarter of the day!)

The team heads to the Waverley Netball Centre for SSV

State Finals on Monday September 10th as one of the best eight teams in Victoria.

BILLETS REQUIRED – MARIST CRICKET

This year Catholic College Sale is hosting the 46th Marist Cricket Carnival from December 4th to 11th. We are looking for families to billet the visiting players. Billeting students is a wonderful and rewarding experience for the players and the host families, as many can attest. Over the years many long term relationships have developed through involvement in such events.

If you are able to billet some players please contact:

Paul Lee (Billeting Coordinator) on 0499 514 416

or Mr Jamie Murphy (Carnival Convenor) on 0448 526 436

Thanks in advance for your support of what will be a terrific carnival!

YEAR 12 REVISION WORKSHOPS

Want to improve your VCE results? Need help revising? Looking for study tips?

Students from ACU partner schools and community organisations are invited to ACU's Year 12 revision workshops in the September school holidays. These workshops will focus on revising content delivered in Unit 4.
