This year, CCS is undergoing a full school review and Victorian Registration and Qualifications Authority (VRQA) Audit. The School Improvement Framework (SIF) takes place every four years to ensure the College is focussed on its key areas. Currently, we are reviewing our three main areas; Catholic Identity and Religious Education, Learning and Teaching, which includes Student Wellbeing and College Leadership, which includes all College planning and finances. As part of this review, the College will identify areas of priority for the next four years. The VRQA Audit ensures the College is meeting all its legislative requirements, both Federal and State.

Principal's Report

Dear College Community

We have commenced our Lenten season in preparation for Easter.

On Ash Wednesday the Year 9 students were fortunate to attend and assist Bishop Patrick with Mass at St. Mary's Cathedral. Bishop Patrick took this opportunity to have a personalised Homily with the students. Years 7 and 8 Students and Years 10 to 12 students attended Ash Wednesday Liturgies on their respective campuses. The Liturgies were led by Peter Centra and Jeff Hobbs and facilitated by students.

This year, Project Compassion was launched by Bishop Patrick at St. Peters College Cranbourne. Unfortunately, due to bushfires and highway closure, students from Catholic College Sale, along with Nagle College, Lavalla College and Marist-Sion Warragul were not able to attend. Throughout Lent we encourage students and staff to 'Give with Gratitude' so that others may act as our hands when

Loving Father

I invite you into my life today and make myself available to you.

Help me to become the-best-version-of-myself by seeking your will and become a living example of your love in the world.

Open my heart to the areas of my life that need to change in order for me to carry out the mission and experience the joy you have imagined for my life.

Make our community hungry for best practices and continuous learning.

Give me courage when I am afraid, hope when I am discouraged, and clarity in times of decision.

Teach me to enjoy uncertainty to become all you imagined it would be for the people of our times.

Amen.

PRINCIPAL'S REPORT

Early in Term 2, students, parents and staff will be invited to complete our annual 'Insight SRC' survey. This survey provides valuable information in diverse areas and allows the College to adjust its program to meet the needs of all our Community. If you are selected in the random survey, I strongly encourage you to complete it when the links are provided.

Students in Years 10 to 12 attended an 'Elevate' session earlier in the term to assist them in developing focussed study skills and prioritising of their time. A number of students still struggle with personalised home study plans and developing effective study processes.

The Annual Athletics Carnival will be held on the 3rd of April. Competition between students and Houses will be very keen, but all with the spirit of friendship, involvement and support. A big thank you in advance to all our students, House Captains, House Leaders and staff with a special thanks to Jamie Murphy and Seth Irvine for their exceptional organisation and running of the Athletics Carnival.

The end of term continues to be very busy with the Presentation Ball being held on Friday 29th March at 6.30pm. We thank the Presentation Ball Committee, Ms Julia Moulton and Mr Paul Lee for the many hours of preparation they have put into this event.

During the term break students from CCS will travel to Catholic College Bendigo for the Annual Marist Basketball Carnival. There will be over 400 players and officials who represent 20 of the Australian Marist schools, participating in this competition. We wish all teams from Catholic College Sale the very best.

The College will gather for the Good Friday Liturgy in the Bishop Phelan Stadium on Friday 5th April. We will take time to remember the important sacrifice that Jesus made to give us new life.

All students will be dismissed from the St. Patricks Campus at 2.20pm.

On behalf of the College Governors and Staff, I wish everyone a very Holy Easter and a safe, rejuvenating holiday break.

Principal

TERM 3 HOLIDAY VCE PRACTICE EXAMS - SAVE THE DATE -

Practice examinations for Year 12 students and Year 11 students completing a Unit 3/4 sequence will take place during the Term 3 school holidays between **September 30th and October 3rd**. These exams provide valuable learning and preparatory experience for students, are taken under examination conditions and give the students valuable practice at exam technique. In addition, these practice exams will enable students to focus on any areas that need improvement for the extremely short amount of time available in Term 4.

We are unable to make these examinations compulsory for students given that they are during school holidays, however they will prove to be a worthwhile experience and students should make every effort to be present and assist the College in its endeavour to provide the best possible preparation prior to the examinations in October/November.

LEARNING AND TEACHING

There is significant research that shows students who are most successful at school have a balanced attitude to organising their life commitments. They devote an appropriate time to study and homework, but they also play sports, have part time jobs and have time for friends and family. Being able to participate in various forms of activity helps young people grow, develop positive relationships with peers and adults, keep them physically and therefore mentally fit, and gives them opportunities to develop life skills.

At times students can feel overwhelmed by work when it starts to mount up, and some often have no systematic approach to dealing with it. I would encourage the use of a weekly planning tool to assist students to get on top of their work. All of the students at Catholic College Sale are given a College diary at the start of the year. Inside the front cover of the diary is a Study Planner. I would strongly suggest that students put in all commitments and then add College expectations. I have added our suggested homework/study times.

Year Level	Suggested Times Per Night	Suggested Times per Week
Year 7	1 hour	2 – 6 hours
Year 8	1.5 hours	3 – 7 hours
Year 9	2 hours	5 – 9 hours
Year 10	2 hours	5 – 12 hours
VCE (Unit 1 & 2)	3 hours	Minimum of 1 - 3 hours per weeknight, up to 6 hours on weekends with this time to be increased as exams approach.
VCE (Unit 3 & 4)	4 hours	Minimum of 3 - 4 hours per weeknight, up to 6 hours on weekends with this time to be increased as exams approach.
Victorian Certificate of Applied Learning		Due to the applied nature of this qualification, homework is task and student specific.

When students are doing study or homework and feel they need further clarification from their teacher, please send an email. This can be a way of sorting out their own ideas around the task that has been requested. Teachers may not necessarily get back to students that night, but it will allow them to do so as soon as possible and be guided to exactly where clarification needs to be made.

All teacher email addresses can be found under the parent and the student's link on SIMON and the PAM. I would encourage all parents to make an appointment to discuss their child's progress with subject teachers at our upcoming Parent Student Teacher interviews, scheduled for the 23rd and 24th April from 4.00pm to

CHINESE MUSEUM VISIT

On Thursday 27th March the Year 7's were lucky enough to be visited by the Chinese Museums's Travelling Museum.

This incursion program comprised of three hands-on workshops. Sessions included Ancient Chinese Inventions, Chinese Herbs and Medicine and Chinese Paper cutting. Throughout the day all the Year 7 students rotated through these sessions as well as three extra sessions that included Chinese Art work and an activity on the Terracotta Soldiers. The students had a great day and enjoyed learning and interacting with the presenters.

Some student feedback on the day -

I really enjoyed the paper cutting and making the Spring and double happiness characters it was really fun! The little museum was enjoyable too with the silkworm cocoons, coins and money, and all the other cool things.

I learned a lot about Chinese medicine and the ingredients. I liked that we could touch most of the things you brought in, and I don't have anything that you could have changed.

Grace Berryman Johns

The thing I enjoyed about the Chinese museum was the museum part. I liked looking and learning about Chinese culture and the 4 greatest Chinese inventions such as paper, the compass, gunpowder and printing and the paper cutting as it looked pretty cool at the end.

Hannah Abdula

I liked the one with the Chinese inventions. It was pretty good i liked how we got to use some of the inventions. I learnt how to say hello in Chinese. You could improve on nothing. It was perfect. It was interesting to learn about the Yin and Yang and the medicines that the Chinese made.

Lily-May Dillow

I enjoyed the inventions because we got to use and try out chopsticks and look out how silk was made.

I learnt what the spring symbol looks like mandarin. I couldn't think of anything to improve the day because I thought it was really fun.

Matthew Murphy

An integral part of the SEED program is empowering our students with tools to assist them to flourish in life. The team from Elevate Education, Australia's number 1 study skills provider came to Catholic College Sale to run programs with our students in Years 8, 10, 11 and 12 in the last week of February.

Student feedback sheets provided information regarding some of the important things students were able to get out of the sessions. These are summarised below:

Year 8 - Time Management

- Finishing tasks prior to the due dates.
- It is easy to forget things, so you need should make time to review what you learnt at home.
- It is important to evenly divide your time so you get to do all things you enjoy as well as homework.
- You can't do an entire assignment in one night.

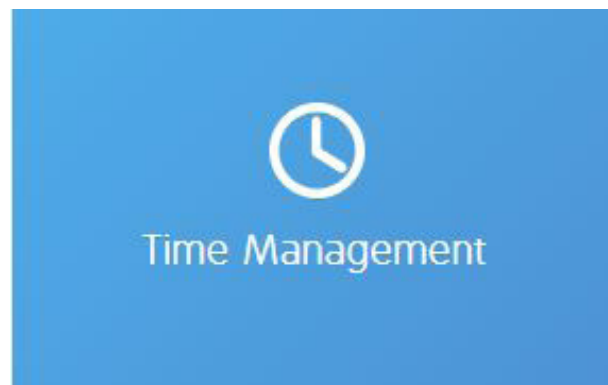

Year 10 - Study Techniques

- Prepare at least 3 weeks prior to the exam.
- Use your time more effectively.
- Organise time and don't 'waste' time.
- Leave time to review notes.
- Revise your notes right after you wrote them.
- Use colour and organise your notes.

Year 11 - Memory Improvement Tools

- Methods of memorising things in a fun way.
- 'Make learning fun and weird'.
- Don't memorise with music.
- Test yourself with out your notes.

Year 12 - Final Exams

- Methods of preparing for exams.
- Do practice papers and time management.
- Mind maps early, practice papers closer to the exams.
- I don't need to study for long if it is efficient work.
- To do more practice papers.
- Breathing exercises
- Do practice papers before the content
- Get feedback from your teachers

Elevate will also return on the first day of Term 3 (16th of July) This will involve Years 7, 10, 11 and 12.

YEAR 7 CAMP

From the 12th February our new Year 7 students spent four fun filled days camping at Licola. Days were filled with walking, climbing, dancing, paddling, painting, hiking, swimming, riding and singing! It was a great opportunity for the group to get to know each other and form new friendships.

CARITAS FUNDRAISING

During lent, each pastoral group is collecting money for Project Compassion. Project Compassion is Caritas Australia's annual Lenten fundraising and awareness-raising appeal. On Friday 15th of March our VCAL students ran a successful fundraising BBQ lunch, raising \$630 for the cause.

WRITER'S CRAFT

As part of their curriculum in Writer's Craft this year, the students were asked to develop their understanding and skill level of building suspense in story writing by playing with differing sentence lengths, dialogue use and a range of sentence starters. They created, drafted and edited their short stories under the genre of Horror. They were also required to explain their authoritative choices and the degree to which they achieved their purpose. Here is a fairly strong example from Alessia Casello, accessible via the link.

Winter Uniform

Term 2 marks the transition to Winter Uniform. All students are expected to be in full Winter Uniform by Friday 26th April. The first two days of Term 2 will be a transition period where although Winter Uniform is expected, there will be an understanding that Summer Uniform may still be in use due to extenuating circumstances. The Uniform Shop has a good range of secondhand uniforms for Winter.

Opening hours are as follows:

Tuesday 3.30pm – 4.30pm

Thursday 9.00am – 10.00am

The VCAL department has been very busy with the Year 12 students planning and organising the operation of their individual businesses that will be running during Term Two and Three, while the Year 11 students have been planning and organising their Community Link Projects.

This year, the Year Eleven students are designing and producing floating garden beds and bird boxes that will be made here at CCS and given to the Heyfield Wetlands to benefit the Wetland area.

This year, a group of the VCAL girls organised a St. Patricks Day fundraiser was also organised. They cooked a sausage sizzle and supplied drinks from the VCAL BBQ trailer raising total of \$680. This money was donated to Caritas, Project Compassion. We also had two groups organise time to be spent with the elderly in at Wilsons Lodge and Royal Freemason's Aged Care playing card games and scrabble.

The VCAL Department is also excited to announce the opening of the VCAL shop. The shop will be selling timber and metal projects that the VCAL students have designed and produced and cater the needs of indoor and outdoor living. There is a large range of items that are for sale so popping in to see what is available for purchase is recommended. The shop address is 47 Desailly Street, Sale, next to the Sale Medical Centre. The shop will be open every Wednesday from 10.00am to 11.00am.

The VCAL shop is designed to give Years 11 and 12 students the opportunity to work in a retail shop, communicating with customers, cash handling and to also sell products made by our department to our local community.

As we near the end of Term One the Music Department is in full swing (pun intended!). Our Ensembles are up and running, with String Ensembles at both campuses, a Concert Band at Sion, two Year 8 Rock Bands and one Year 7 Rock Band. Our choirs have expanded to include a Male Vocal Ensemble at St Pats, the Sion Singers have started rehearsals and the Show Choir are working hard. Instrumental lessons are well attended and practice habits are starting to pay off.

Eisteddfods

As mentioned in the last Newsletter, entries are currently open for the Sale Eisteddfod and later in the year we will support the Latrobe Valley (Traralgon) Eisteddfod and Yarram Eisteddfods. See Ms Roffe or your instrumental teacher for details. We will have concerts before the Sale Eisteddfod – see below. It is not too late to join in the activities in the Music Department – we have new members joining all through the year! We would particularly like more woodwind players and a string instrumentalist or two is always welcome. There is also one vacancy at St Pats for acoustic double bass. Pick up an application form from the office and see

Ms Roffe, or any of our other music teachers if you would like to start learning an instrument. All you need is enthusiasm and a willingness to practice regularly.

Ensembles

Playing music in an ensemble is an essential part of learning your instrument, and for most students the element that they get the most pleasure from. Joining a suitable ensemble is therefore a compulsory part of the College Instrumental Program. Our ensembles are not limited to those learning an instrument at school, however. If you have an interest in playing in one of our ensembles or singing in one of our choirs just let us know. This applies to parents as well – if you are interested talk to us about how you can get involved.

Calendar Dates:

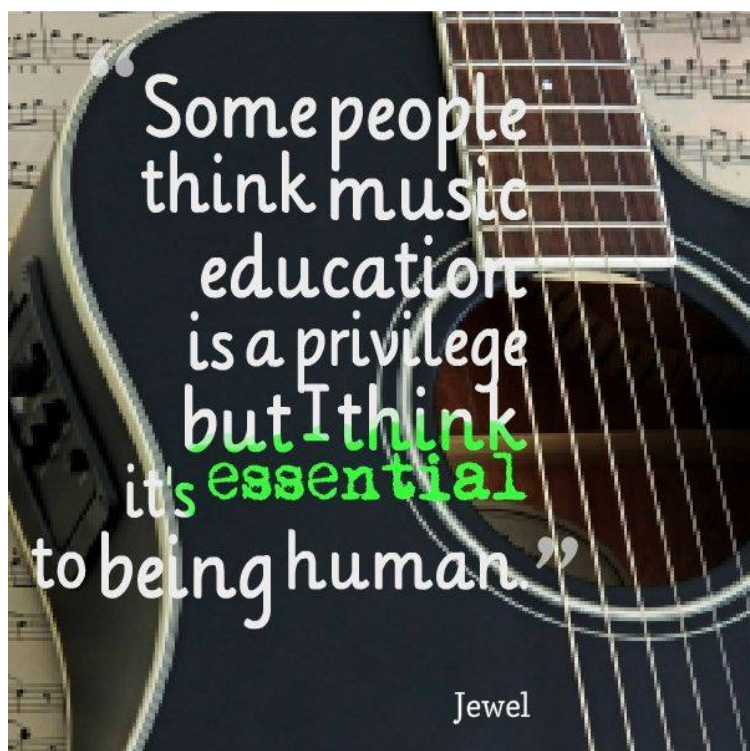

May 7th 5pm: Autumn Concert in the Marcellin Room
 May 8th 5pm: Autumn concert in the Sion Chapel
 May 20th- May 26th: Sale Eisteddfod
 May 28th & May 29th: Senior School Production at the Wedge.

I look forward to seeing you at one or more of these events and thank you all for your continued support of Music at Catholic College Sale.

SSV SWIMMING

Catholic College Sale has had a great time in the pool of late, with 31 swimmers competing for the College at the recent SSV Gippsland Swimming Finals at Sale.

From this group, we have five swimmers heading off to SSV State Finals at the Melbourne Sports and Aquatic Centre on April 24th.

Congratulations to Zac Mezenberg who won through in the 12-13 Years Boys 50m Breaststroke, Butterfly & Freestyle events. Well done to Zac on such a great effort!

Also heading to Melbourne are our 15-16 Girls Medley Relay team of Kiana Wedlock, Payge Van Ekeren, Poppy Wheeler and Tamiecta Ross.

Kiana and Tamiecta will also represent the College in the 15 Years & 16 Years Girls 50m Butterfly respectively. Overall, Catholic College Sale finished 4th in the Girls standings, and fifth in the Boys standings, resulting in the College placing 5th overall out of 24 schools.

This is following on from the 40 swimmers who qualified for the first round of SSV competition, held at the Traralgon Pool on March 8th.

Impressively, CCS was able to field swimmers in most events that featured on the program.

A big thank you to the staff and parents for their support of our swimmers.

CRICKET

On Wednesday March 13th, our Year 7 & 8 Cricket teams played at the College Ovals against Maffra Secondary College and Sale College in the first round of the School Sport Victoria Cricket competition. Both teams were victorious, and will progress on to the next round.

Year 8

In order to fit the round robin fixture in, our Year 8s played 12-overs a side against Sale and Maffra. Batting first against Sale, Jos DiMarco and Waltley Sutton put in a great opening partnership of 63, which they accumulated inside seven overs.

DiMarco went on to score 40 off 31 balls in a team total of 98.

Our bowling response was terrific in reply, as we restricted Sale to 48 from its 12 overs.

Ryan Phelan (1/5), Tyson Dobson (1/12), Cooper Lett (1/10) and Bailey Wright (2/4) were amongst the wickets – Bailey just missing out on a hat-trick!

In our second game, we faced Maffra's dangerous batting top order.

We did well to restrict our opponent to 2/63 from their allotted overs.

Wright took the only wicket, while Phelan (0/3), Dobson (0/7) and Diamond (0/9) were miserly with their bowling spells.

A tricky total to chase inside 12 overs, Captain Jay Diamond lead the way with an intelligent 23 not out, with 78% of his runs coming in ones and twos.

With the match evenly posed, Bailey Wright and Jack Kelly provided solid support for Diamond towards the end of the innings, to get us over the line.

We now face off against Kurnai College in the Wellington Final.

Year 8 Team - Jos Dimarco, Waltley Sutton, Jay Diamond, Oakley Pearson, Angus Heywood, Jack Kelly, Cooper Lett, Ryan Phelan, Harry Stables, Tyson Dobson, Zac Felsbourg, Bailey Wright

Year 7

Our Year 7 Cricket team had a strong opening encounter in their only game against Sale College. Batting first, we made 4/144 from our twenty overs. Jackson Annear top-scored with 41 from 34 balls, while Ashton Wright (33) and Asher Eastham (19) offered great support.

Our bowling attack was sublime in response. Across the board, our efforts with the ball were economical and effective.

Five bowlers (Grattan, Pendergast, Stobie, Above - Year 7 Cricket Team

Wrigglesworth & Bowker) went for two runs or less from their two-over spells, while Jack Cantwell chimed in with two wickets.

We now face off against Traralgon College in the Wellington Final.

Year 7 Team - Hayden Wrigglesworth, Asher Eastham, Jackson Annear, Tillie Pendergast, Ashton Wright, Madix Grattan, Billy Bowker, Cameron Missen, Jack Cantwell, Matthew Murphy, Elliot Stables, Max Stobie

CRICKET & TENNIS

SSV Cricket - Years 9/10

Our Year 9/10 team has made a great start to its 2019 campaign, with a comprehensive first round victory in the School Sport Victoria Cricket competition. Playing Sale College at the College Ovals, CCS lost the toss and were asked to field. We were able to keep our opponents to 29 runs from their 20 overs. All seven bowlers were effective, with everyone registering tidy figures:

Meika King – (Four overs, one maiden, 0/6)

Seb Pendergast – (Two overs, two maidens 0/0)

Jake Pendrick – (Three overs, 2/5)

Noah Bennett – (Two overs, 0/2)

Sol Nash – (Three overs, one maiden, 2/2)

Lakshay Singh – (Two overs, 1/4)

Tyson Birss – (Four overs, one maiden, 2/6)

In reply, Sale College were kind enough to allow us to bat our allotted 20 overs. Tom Morrison top-scored with 43* retired, while

*Back Row L to R - Jamie Murphy, Meika King, Tom Morrison, Zak Russell, Noah Hurley, Noah Bennett, Sol Nash, Josh Davis
Front Row L to R- Jake Pendrick, Tyson Birss, Ethan Aurisch, Lakshay Panwar, Seb Pendergast.*

there were other solid contributions from Lakshay Singh (39* ret), Aurisch (17) and Hurley (17) in our total of 165. In a great show of sportsmanship, CCS players volunteered as sub-fielders for their opponent, who had a couple of players pull-out on the day.

We move on to the next round, which will be played later in the year (Term 4).

SSV Tennis

Three of the College's Tennis teams have won through to the second round of School Sport Victoria competition, after a great day's competition at the Traralgon Tennis Courts on Friday March 22nd.

Well done to the following teams who have made it through:

Year 7 Girls – Zoe Condon, Ava Brickley, Cara Heskey & Tillie Pendergast

Year 8 Boys – James Edney, Jono Boyd, Hamish Pfeil & Mitch McQuillen

Year 9/10 Girls – Jaz Websdale, Eve Morcom, Emily Elliot & Ellie Roache

Thanks to all students for their efforts on the day.
