

## Uniform Guidelines

In making Catholic College Sale the school of their choice, parents and students are fully aware that this entails wearing the designated College uniform and adhering to the accompanying requirements of personal presentation. Students, parents and staff should be clear about the expectations regarding the uniform and its wearing.

## The Uniform

- Is a symbol of the College and a public declaration of its values, standards and beliefs;
- Can create a sense of collective and individual pride in students and their identification with the school;
- Has the potential to encourage group security;
- Can enhance the safety of individual students and groups of students by stipulating particular items for particular activities;
- Is a civic behaviour that is evident in many aspects of society;
- Supports students in the requirement of adhering to a dress code;
- Can prevent turning classrooms and the school yard into daily fashion competitions;
- Reflects discipline and order within the school environment;
- Helps staff to identify unwelcome visitors to the school;
- Assists staff to recognise students when off campus.

## Uniform Expectations

The good standing of the College is significantly influenced by the way students wear the uniform and present themselves.

Students are expected to present themselves well and to wear the uniform, including footwear, correctly. This applies during school hours, while travelling to and from school, and when students are engaged in school activities out of school hours. As well, students are to give attention to cleanliness, grooming and neatness.
